Expert affordable support for surveyors

APC Lifeline

10hrs
CPD

DeLever's One Day **Final Assessment Masterclass**

“Gave me real focus and covered key pitfalls. Gave me the confidence to know what to expect at the Final Assessment... Thanks...”

An intensive one-day APC Final Assessment Masterclass for APC candidates (all routes) taking their final assessment at the next session. The APC Lifeline Expert Trainers cover the process and competencies to ensure you get everything right first time. It includes a review and discussion of submission documentation to highlight where issues or anomalies may arise and offers loads of suggestions regarding best practice. All trainers are accomplished APC coaches and APC Panel Chairmen.

WHAT YOU GET FOR YOUR 10 HOURS CPD?

- ☆ **APC Final Assessment explained**
- ☆ **APC Presentation explained**
- ☆ **APC Mandatory & Technical Competency review**
Understand what the assessors expect. Over 3 hours worth of discussion time (pathway specific, please see available pathways on our web site).
- ☆ **APC Final Assessment Document review**
Discussion of submission documents, bring yours with you to and see if you can make any improvements before you send them to RICS. Identify and rectify errors and get your documents in good shape for submission as many candidates make mistakes in their submission documents.
- ☆ **RICS Rules of Conduct and Professional Ethics**
Interactive talk / discussion with Jon Lever FRICS. If you answer a Rules of Conduct or Professional Ethics question incorrectly at the final assessment you will be referred.
- ☆ **Final Assessment Question and Answer session**
With Jon Lever FRICS and the DeLever APC Lifeline Trainers.
